You will be able to use Japanese.

— accurately, fluently and correctly —

Beginner

Understand the structure of Japanese · Learn the minimum language knowledge required for communication in Japanese, and use it to familiar subjects.

◆Equivalent to JLPT N5-N4 level.

Intermediate

Students aim to learn the linguistic knowledge necessary for detailed depiction, which is often used not only in spoken language, but also in writing, language, and to be able to explain various topics using it.

◆Equivalent to JLPT N3-N2(lower N2) level.

Advanced

Students aim to learn the linguistic knowledge necessary for written language and conversation in formal situations, and use it to give persuasive opinions on highly abstract topics.

◆Equivalent to JLPT N2 (upper N2)-N1 level.

Super Advanced

Special University Preparation Class

Students will learn Japanese language skills to understand lessons, write reports and make presentations in Japanese universities, and communication skills to exchange opinions with professors and classmates.

Business Class

To learn the skills of gathering information, understanding the business documents, acquiring the Japanese language skills to propose and negotiations in order to work in the office efficiently.

Master Class

Not only to Students aim not only to be able to use Japanese, but also to be able to use Japanese fluently and appropriately.

Choose what you want to study. "Elective Lessons"

You can choose and study the subjects of your needs - EJU, JLPT preparation, conversation, listening, reading, Japanese topical issues etc.

(Applicable to Advanced Level students only. Held once a week for April and October semesters.)

Making a continuous improvement in our "Original teaching materials"

We continue to create original teaching materials for students at all levels in order to meet the needs of students. This is because original materials are more helpful for students than textbook that are sold at the bookstore. In the original conversation activity, you can learn Japanese step by step from "daily conversation" \Rightarrow "detailed explanation" \Rightarrow "persuasive opinion".
